

## **SEXUAL ASSAULT 101**

This session will offer victim advocates the basics in sexual assault laws, punishments and victim responses. Participants will learn the legal definitions of the various sex crimes in Kentucky statute, the mandatory reporting definitions and requirements, an introduction to Kentucky's Crime Victim's Compensation, and the confidentiality of records as they relate to rape crisis centers in Kentucky. A brief overview of rape victimology will also be provided.

### **Bio:**

**Phyllis H. Millspaugh, M.A.**

**Program Monitor**

**Kentucky Association of Sexual Assault Programs (KASAP)**

As a 17 year investor in the anti-sexual assault movement, Phyllis Millspaugh has seen her share of deposits and withdrawals in this balancing act of social attitudes and behaviors. Receiving her Master of Arts degree in Clinical Psychology, Ms. Millspaugh initially became a practicing clinician working with child and adult victims of sexual abuse and sexual assault in both inpatient and outpatient settings. For ten of those years, Ms. Millspaugh practiced and was the administrator for Hope Harbor, Inc., a regional rape crisis center located in Bowling Green, KY. In her new position as Program Monitor with the KASAP, Ms. Millspaugh provides programmatic support, technical assistance and monitoring of Kentucky's 13 rape crisis centers.
